SUBJECT: MEASURE A ELECTION - MAY 9, 1989: EXPENDITURE REPORTS

Enclosed is a copy of Form 461, Form 465 and a Late Independent Expenditure Report for the period February 1989 through June 1989 for the Measure A Special Tax Election in the Capistrano Unified School District held on May 9, 1989.

On August 6, 1990, the California Fair Political Practices Commission issued instructions that the Capistrano Unified School District file these reports because, in the opinion of the CFPPC, the school district qualified as an independent expenditure committee for this election.

In response to the direction of the CFPPC, this district is filing the Form 461, Form 465 and the Late Independent Expenditure Report. However, these reports are filed under protest, because in our opinion the school district did not advocate the passage of Measure A, but, rather, limited its efforts to informing local voters of the need for local school facilities.
